It is affection.

It's called ... habit.

Good morning.

Go on a diet.
I will, starting tomorrow.

Have you heard? The crazed dog was at it again ! This time, against 17 ! Alone ! 17 guys from Yun-Seong !
Again ?!
He was quiet for a bit ... How can we attend school when he's rampaging like that ?!
Haru, he threatens you to hang out with him, doesn't he !
Just be honest ! He's so scary !
Eh...

Dong-Ha is scary ?
Dong-Ha is ?
Don't bully Haru !
He is ?

Really ?!
How dirty.

No..., not at all ...
Eh...
Did he really fight against 17 alone ? He looks fine.
That's why he is called the crazed dog. The 17 guys were carried to hospital.
